

People, pets share HK parks

To enable park users with and without pets to enjoy park facilities together in an inclusive environment, the Leisure and Cultural Services Department launched the Trial Scheme for Inclusive Parks for Pets in January.

News.gov.hk spoke to the department's Chief Leisure Manager and some members of the public to discuss how the scheme helps promote exchanges and integration in the community.

The story appears on news.gov.hk today (April 28) in both text and video format.
