Press Statement
Rex W. Tillerson

Secretary of State

Washington, DC
April 12, 2017

On behalf of the Government of the United States of America, best wishes to the people of the Lao People's Democratic Republic as they celebrate the Lao New Year.

This past year our two countries announced a Comprehensive Partnership, which opened a new era in the U.S.-Lao relationship and deepened our diplomatic, commercial and people-to-people ties. We celebrate our friendship with the Lao people and look forward to new opportunities for our two countries to work together.

Best wishes for a prosperous and joyful New Year.
