

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (November 25), 20 COVID-19 confirmed patients were discharged from hospital in the last 24 hours. Including a patient (case number: 5705) discharged on November 23, a total of 5 295 patients with confirmed or probable infection have been discharged.

At present, there are 607 negative pressure rooms in public hospitals with 1 126 negative pressure beds activated. A total of 349 confirmed patients are currently hospitalised in 21 public hospitals, among which seven patients are in critical condition, three are in serious condition and the remaining 339 patients are in stable condition.

The Hospital Authority will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.

Details of the above-mentioned patients are as follows:
