

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (November 29), 12 COVID-19 confirmed patients were discharged from hospital in the last 24 hours. So far, a total of 5 340 patients with confirmed or probable infection have been discharged.

At present, there are 619 negative pressure rooms in public hospitals with 1 137 negative pressure beds activated. A total of 642 confirmed patients are currently hospitalised in 20 public hospitals and community treatment facility, among which 11 patients are in critical condition, three are in serious condition and the remaining 628 patients are in stable condition.

The Hospital Authority will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.
