

Queen Mary Hospital appeals to public for missing patient

The following is issued on behalf of the Hospital Authority:

The spokesperson for Queen Mary Hospital (QMH) made the following appeal today (March 29) regarding a patient leaving the ward without notifying hospital staff:

A 47-year-old male patient in a Cardiothoracic Surgery ward of QMH was found leaving the ward without prior notification at around 3.50pm. Security guards were immediately deployed to search for the patient within the hospital compound and the vicinity but in vain. The hospital is very concerned about the incident and has immediately informed the patient's family and reported to the Police for assistance.

The patient is about 1.82 metres tall, with a tall and medium body build and short black hair. He was wearing patient clothes, a grey jacket and a pair of rimless glasses when leaving the ward.

The hospital appeals to the public to contact Western Police Station at 3661 1618 if they know the whereabouts of the patient.
