

Recording of the week: Don't try this at home!

This week's selection comes from Nick Morgan, Audio Project Cataloguer for Unlocking our Sound Heritage. Joseph Sussman (1920-2013) was surrounded by music – literally: his house and garage were crammed full of 78s, LPs, CDs, reel-to-reel tapes, cassettes and videos. They vied for space with stacks of printed music and...
