

Recording of the week: Harold Wilson's 1963 pledge to harness the white heat of a scientific revolution

Today's selection comes from Emmeline Ledgerwood, Discovering Science website co-ordinator. Sixty years ago, on 1 Oct 1963, the then Labour party leader, Harold Wilson, delivered his famous 'white heat' speech at the Labour party conference in Scarborough. In this speech he outlined the party's plans to harness a 'scientific revolution'...
