Vaughan Gething said:

“I’ve today written to the Secretary of State for Health, Jeremy Hunt, urging him to make the case to the UK Treasury to remove the cap on pay and make funds available across the UK to allow hard working NHS staff to receive a pay uplift of greater than 1%.

“Yesterday, the UK Government found more than £1bn to effectively end austerity in Northern Ireland. I fully expect them to make money available so that we can give our hardworking health service staff the pay rise they deserve. They deserve nothing less.”
