

Reopening of Fire and Ambulance Services Education Centre cum Museum

The Fire and Ambulance Services Education Centre cum Museum (FASECM) will partially reopen its exhibition facilities tomorrow (June 5), although interactive exhibitions, public programmes and individual visits will remain suspended until further notice. As for group visits, special arrangements will be made pursuant to the Prevention and Control of Disease (Prohibition on Group Gathering) Regulation (Cap 599G).

Due to the limited quota for admission, applications will be processed on a first-come, first-served basis. Interested parties can submit an application through the FASECM Online Booking System (fasecm.ievent.hk/event/p/12908). For enquiries, please call 2411 8691 during office hours.
