

## Road sections affected by specified “restricted area” in Jordan gradually reopen

The Transport Department today (January 25) announced that the temporary traffic and transport arrangements implemented earlier in Jordan to facilitate "restriction-testing declaration" made and compulsory testing notice issued in respect of specified "restricted area" in Jordan have ended.

The road sections of Shanghai Street are reopened to all vehicles. The affected road sections of Pak Hoi Street, Saigon Street, Ning Po Street, Reclamation Street and Temple Street will gradually be reopened to all vehicles. Concerned bus routes (namely KMB Nos. 36B, 46, 203E, 260X, 268B, 269B and Citybus No E21X) and Kowloon GMB routes (namely Nos. 3, 74 and 74S) will resume their original routings from the first departure in the morning.

The public light bus stands, taxi pick-up/drop-off point, car parks and parking spaces within the closed roads will also be reopened.
