The Leisure and Cultural Services Department will present the Fun Day of Sai Wan Ho Civic Centre (SWHCC) from 1pm to 5.30pm on June 21 (Saturday) and 22 (Sunday) to celebrate the reopening of SWHCC after renovation and improvement works. Members of the public are welcome to join.

An array of programmes blending Chinese and Western cultures, with youth and community engagement as highlights, will be held at the Fun Day. Programmes include a lion dance performance by the acclaimed dragon and lion dance team of the Buddhist Ho Nam Kam Secondary School, an exhilarating Chinese drum performance by the Hong Kong Drum Ensemble, a street dance and busking performance by the Youth Outreach's School of Hip Hop, and a performance of various styles of jazz music by young musicians from the group Fountain de Chopin. Young musicians curated by the Hong Kong Federation of Youth Groups and the Boys' & Girls' Clubs Association of Hong Kong will also stage performances of diverse music pieces.

Moreover, the ceremony of the Fun Day will be held at the Theatre of SWHCC at 1pm on June 22, with exciting lion dance and majestic Chinese drum performances for public enjoyment.

A number of workshops will also be available at the Fun Day, including the "One Day in the Theatre" workshop by the Absolutely Fabulous Theatre Connection (AFTEC), the venue partner of SWHCC, for participants to try being an actor or working backstage in a theatre setting, and to take part in a showcase performance on the same day. Furthermore, the AFTEC will present the "Re-imagine Theatre" exhibition at the foyer of SWHCC from June 21, guiding audiences into the world of theatrical plays as the protagonists' companions.

On June 21, a stage tour will be available for members of the public at the Theatre of SWHCC to introduce participants to the new and advanced stage equipment and facilities after the renovation of SWHCC and to learn about the operations behind the scenes in a stage production.
