

Schools and tertiary students invited to enrol in Hong Kong Flower Show student drawing competition

The Hong Kong Flower Show 2025, organised by the Leisure and Cultural Services Department, will be held at Victoria Park from March 14 to 23. The Jockey Club Student Drawing Competition, one of the major activities of the flower show, will be held on March 14. Local primary and secondary school students as well as full-time tertiary students are welcome to take part in the competition. Applications are free of charge and will remain open until February 10.

The competition will be conducted in five categories: a Junior Section in Primary School (Primary One to Primary Three); a Senior Section in Primary School (Primary Four to Primary Six); a Junior Section in Secondary School (Form One to Form Three); a Senior Section in Secondary School (Form Four to Form Six) and a Tertiary Institution Section. The competition is scheduled from 9am to noon for primary school categories and the Tertiary Institution Section, and from 1.30pm to 4.30pm for secondary school categories on the day.

The competition will feature students' drawings of floral exhibits or garden displays in the showground with a view to enhancing awareness of conserving plants and the natural environment. Participants may use any form of drawing to illustrate the theme of the competition, "Ablaze with Glory".

For details of the competition, please call 2302 1275/2302 1268 or visit the flower show webpage www.lcsd.gov.hk/en/hkfs/2025/drawing.html. Primary and secondary school students should enrol through their schools while tertiary students are required to enrol individually. Participating schools and entrants of the Tertiary Institution Section should submit applications online on or before February 10.

The upcoming flower show features "Ablaze with Glory" as the main theme and the cosmos as the theme flower. The Hong Kong Jockey Club Charities Trust is supporting the flower show for the 13th consecutive year and has been its major sponsor since 2014.
