

Secretary for Home Affairs visits Hong Kong Central Library and Causeway Bay Sports Ground

â€‹The Secretary for Home Affairs, Mr Caspar Tsui, visited the Hong Kong Central Library and Causeway Bay Sports Ground today (April 28). Accompanied by the Director of Leisure and Cultural Services (LCSD), Mr Vincent Liu, Mr Tsui inspected the preparation work for the reopening of the LCSD facilities.

Mr Tsui learned that the LCSD would step up anti-epidemic efforts, such as enhancing cleaning measures, providing hand sanitisers, measuring body temperatures of visitors at the Hong Kong Central Library, limiting the number of visitors and providing anti-epidemic equipment to frontline staff to protect the health of the public and staff as well as reducing the risk of the spread of the COVID-19 virus.

Mr Tsui said various sectors should remain vigilant in view of the unpredictable developments of the epidemic. While some LCSD facilities will reopen, members of the public should adopt sufficient precautionary measures when using the facilities. He thanked the LCSD staff for sparing no effort during the past few months, and for their timely arrangements regarding the facilities.
