

SEN concludes Singapore visit (with photos)

The Secretary for the Environment, Mr Wong Kam-sing, spent the last day of his visit in Singapore today (May 24) by meeting with local officials and representatives from relevant organisations.

Mr Wong first called at the Singapore LNG Corporation, where he was briefed by its staff and officials of the Singapore Energy Market Authority on the development and services of the liquefied natural gas (LNG) terminal in Singapore. Afterwards, he departed for the Building and Construction Authority (BCA) Academy to learn about its work in promoting green buildings. He also visited the Housing and Development Board to find out about their sustainable initiatives, such as to promote the application of renewable energy.

In the afternoon, Mr Wong held a bilateral meeting with the Minister for National Development, Mr Lawrence Wong, to discuss matters of mutual concern. He then concluded his visit in Singapore and will return to Hong Kong tonight.
