

Serious operating irregularity at Romney Sands

Romney Sands ticket office and station platform

At around 10:35 hrs on 28 August 2019, a train from Dungeness to Hythe left Romney Sands station and entered the single line section to New Romney. A train from Hythe to Dungeness was in the same section, travelling in the opposite direction. The two trains came to a stand about 316 metres apart.

We have undertaken a [preliminary examination](#) into the circumstances surrounding this incident. Having assessed the evidence which has been gathered to date, we have decided to publish a [safety digest](#).

The safety digest will be made available on our website in the next few weeks.
