

Smart tech enhances tree care

The Leisure and Cultural Services Department (LCSD) manages thousands of trees across the city's parks, playgrounds and roadsides, and applies smart technology to enhance the efficiency of tree inspections.

News.gov.hk spoke to two LCSD staff to find out about the innovative technologies used in their work and the importance of proper tree maintenance.

The story is available at www.news.gov.hk/eng/feature today (March 17) in text and video format.
