

Special traffic and transport arrangements for drone show in Tsim Sha Tsui East

The Transport Department (TD) today (July 19) reminded members of the public that, to facilitate the drone show to be held near Tsim Sha Tsui Promenade in Tsim Sha Tsui East at 7.30pm tomorrow (July 20), the following special traffic and transport arrangements will be implemented in Tsim Sha Tsui.

Road closures

In connection with the holding of the drone show that evening, road closures and the corresponding traffic diversions will be implemented in phases on roads in the Tsim Sha Tsui area, including Salisbury Road, Mody Road, Haiphong Road, and parts of Chatham Road South, Nathan Road and Kowloon Park Drive from around 5.30pm until crowds disperse and roads are reopened.

Public transport services arrangements

MTR lines including Island Line, Tsuen Wan Line, Tung Chung Line, East Rail Line and Tuen Ma Line will be strengthened subject to passenger demand.

In connection with the road closure arrangements (including suspension of Star Ferry Bus Terminus and Tsim Sha Tsui East (Mody Road) Bus Terminus), a total of 48 bus and five green minibus (GMB) routes operating in the affected areas will be temporarily diverted or suspended, and the associated bus stops and GMB stands located within the affected areas will be suspended or relocated.

Taxi stands (including taxi pick-up/drop-off points), public light bus stands, on-street parking spaces and private car parks on the affected roads in Tsim Sha Tsui will be temporarily suspended during the road closure period.

The short-working route of water taxi ferry service will be suspended from 12.30pm onwards.

For details of the special traffic and public transport arrangements, members of the public may visit the TD's website (www.td.gov.hk), its mobile application "HKeMobility" or refer to the passenger notices issued by the relevant public transport operators.

Due to road closures, the TD anticipates that the traffic along the concerned areas will become significantly congested. Motorists are advised to

avoid driving to the affected areas. In case of traffic congestion, motorists should exercise patience and drive with care, and follow the instructions of the Police on site.

The TD appeals to members of the public to make use of public transport services as far as possible to avoid traffic congestion and unnecessary delays. The TD and the Police will closely monitor the traffic situation and implement appropriate measures when necessary. The Police may adjust the traffic arrangements, subject to the prevailing crowd and traffic conditions in the areas. The public should pay attention to the latest traffic news through radio, television or "HKeMobility".
