

Special traffic and transport arrangements on Hong Kong Island this Sunday

The Transport Department (TD) today (December 6) reminded the public that special traffic and transport arrangements will be implemented in phases on Hong Kong Island to facilitate the holding of a public procession on Sunday (December 8).

The special traffic and transport arrangements will mainly include:

Road closures

1. From about 1.30pm, the roads in the vicinity of the Causeway Bay shopping area (such as Sugar Street and Great George Street) will be closed;
2. From about 2pm, the roads in the vicinity of Victoria Park (such as Causeway Road westbound, Yee Wo Street westbound and Hennessy Road westbound) will be closed; and
3. From about 3.30pm, the roads in the vicinity from Admiralty to Central (such as Queensway westbound and the section of Des Voeux Road Central between Pedder Street and Queensway) will be closed.

Public transport services

A total of 92 bus routes and 14 green minibus routes operating in the affected areas will be temporarily diverted, one bus and one green minibus route will be temporarily suspended. In addition, the tram services between Tong Shui Road and Pedder Street will be suspended.

Due to extensive road closure in the affected areas, the TD anticipates that the traffic along Hong Kong Island North (including Causeway Bay, Wan Chai, Admiralty, Central and the vicinity of the Island Eastern Corridor) as well as the Aberdeen Tunnel and the Cross-Harbour Tunnel will become significantly congested. Motorists are advised to be patient in case of traffic congestion when driving in the vicinity, follow the Police's instructions and be alert to the latest traffic news through the media.

Members of the public are advised to use public transport services, in particular railway and ferry services, and avoid driving to the affected or congested areas, especially in the vicinity of Tin Hau, Causeway Bay, Wan Chai, Admiralty and Central, unless necessary. Early planning of journeys and use of alternative travelling routes are advised to avoid unexpected delay. The public transport operators will display notices to inform passengers of the temporary arrangements. Public transport commuters are advised to pay

attention to the arrangements of route diversions and suspension and relocation of stops. The TD and the Police will closely monitor the traffic situation and implement appropriate measures whenever necessary.

For details on the special traffic and transport arrangements, members of the public can call 1823 or browse the TD's mobile application "HKeMobility" or website (www.td.gov.hk).
