[Nature and Technology](#)

From what nature has felled within our arboretum, **welters** have created a number of Woodland inspired products. No two products are the same and can be utilised for a number of different purposes. The examples shown have been hewn into Memorial 'Orbs' from hardwood, with each orb housing up to 2 sets of cremated remains. A peaceful tribute to our loved ones.

The Art of Timber Engineering

In the wake of the great storm which has hit our ancient woodlands within our land holdings, we look to the future and the true and exciting potential for the manufacture of timber products, utilising the vast resource of incredible timber that is now available to us. We will address any requirements and enquiries with artistic enthusiasm.
