

Freezing Working Conditions

Despite facing uncertainty over the future & daily COVID struggles due to complex government guidelines, we have fought the complex & serious temperature conditions which temporarily caused the recent halt of our production. We do battle & fight on for the benefit of our clients.

Rain, Shine & Snow

Work

progresses through rain, shine – and snow! As our operative sweeps aside the snow, allowing work to continue on each grave position, he is joined by a nosy

fox wandering leisurely through the site, reminding us to ‘go where we are appreciated, not where we are tolerated’.

Bronzed Caskets

To remind our many customers of the amazing range of bronzed caskets which are made specifically to fit our many burial chamber systems, sarcophagi, mausolea

and cremation memorials to ensure that, where appropriate, hermetically sealed

interment solutions are achieved.

Working Night & Day

Working night and day amidst **Storm Christoph**. Another load of interment components being prepared and loaded for distribution to a Local Authority site to support ever increasing bereavement needs.

Freezing Temperatures

Between the restrictions enforced upon us by covid and now by mother nature as well, as the freezing temperatures persist, the conditions continue to prove a challenge for us to overcome. But we rise to the challenge & work together to serve our customers in the best way we can.
