CE inspects prevention and control measures at boundary control point at

West Kowloon Station of Guangzhou-Shenzhen-Hong Kong Express Rail Link (with photos/video)

The Chief Executive, Mrs Carrie Lam, today (January 3) visited the West Kowloon Station of the Guangzhou-Shenzhen-Hong Kong Express Rail Link to inspect the prevention measures adopted at the boundary control point in response to the cluster of pneumonia cases detected in Wuhan, Hubei Province.

Accompanied by the Secretary for Food and Health, Professor Sophia Chan, Mrs Lam was briefed by officers of the Port Health Division of the Centre for Health Protection of the Department of Health at the boundary control point on health surveillance measures. Such measures include the provision of health information, body temperature checks on inbound travellers by the thermal imaging system and following up on travellers with fevers. Mrs Lam also spoke with front-line officers to learn more about the enforcement of prevention and control measures, expressing her gratitude for their hard work in safeguarding the health of citizens and travellers.

Mrs Lam then proceeded to the public area of the station to inspect the enhanced cleaning work adopted by the MTR Corporation in response to the recent situation, and thanked staff for their work.

Mrs Lam said that although no serious pneumonia cases related to those in Wuhan have been detected in Hong Kong so far, the Government has strengthened prevention and control measures in many areas, such as enhancing health surveillance measures at all boundary control points. Furthermore, the Hospital Authority and the Department of Health have also informed their healthcare staff to stay vigilant. Mrs Lam added that all relevant government departments have been well prepared and have made necessary arrangements. The Government will also announce daily the number of cases meeting the enhanced surveillance measures to increase transparency. She also appealed to members of the public to strengthen personal and environmental hygiene standards. Travellers who present with respiratory symptoms should wear surgical masks, seek medical attention and reveal their travel history to doctors.

[Update on cluster of Multi-drug Resistant Acinetobacter cases in Queen Elizabeth Hospital](#)

The following is issued on behalf of the Hospital Authority:

The spokesperson for Queen Elizabeth Hospital (QEH) gave the following update today (January 3) regarding an announcement yesterday (January 2) on a cluster of inpatients with Multi-drug Resistant Acinetobacter (MDRA) in a male medical ward:

Following enhanced screening, the laboratory test sample of a patient aged 72, without clinical symptoms of infection, in the ward has been confirmed as having MDRA. The patient concerned was discharged.

QEH will continue the enhanced infection control measures and closely monitor the situation in the ward. The case has been reported to the Hospital Authority Head Office and the Centre for Health Protection for necessary follow-up.

[Latest additions to growing iPostal](#)

Station network at Oi Tung Estate and Siu Sai Wan Plaza

With the rapid expansion of the online shopping market, public demand for the flexible collection of postal items has been on the rise. In view of this, Hongkong Post has commenced the establishment of iPostal Stations as early as 2016 across the territory, enabling the public to pick up postal items at their convenience. Up to now, 21 iPostal Stations have been established.

New iPostal Stations to be set up in Oi Tung Estate (Second Floor, Oi Tung Shopping Centre, Oi Tung Estate, Shau Kei Wan, Hong Kong) and Siu Sai Wan Plaza (First Floor, Siu Sai Wan Plaza, Siu Sai Wan Estate, Siu Sai Wan Road, Chai Wan, Hong Kong) will commence operation on January 7 (Tuesday). The total number of iPostal Stations in Hong Kong will reach 23 by then. Senders can set any of the abovementioned iPostal Stations as the delivery address for their Smart Post, Local Parcel and Local CourierPost items through the EC-Ship platform, while recipients can set any of these stations as the default pick-up point for their items with a Mail Collection Number.

Detailed information is as follows:

iPostal Station (Mail Collection Number sub-code)	Location	Opening hours (Monday to Sunday)
Oi Tung Estate iPostal Station (PLOTE)	Second Floor, Oi Tung Shopping Centre, Oi Tung Estate, Shau Kei Wan, Hong Kong	6am to midnight
Siu Sai Wan Plaza iPostal Station (PLSSW)	First Floor, Siu Sai Wan Plaza, Siu Sai Wan Estate, Siu Sai Wan Road, Chai Wan, Hong Kong	24 hours

To facilitate the greater use of iPostal Stations, Hongkong Post will continue to expand its network. It is scheduled to set up 20 iPostal Stations in the first quarter of 2020 and more than 80 gradually in the following three quarters. This will make the total number of iPostal Stations more than 120 in the following year, covering all 18 districts in Hong Kong.

Details of iPostal Stations' locations and ways to use them are available at ec-ship.hongkongpost.hk/platform/en/iPostalStation.jsp. For enquiries, please call the Hongkong Post General Enquiry Hotline at 2921 2222.
