Operator and manager of unlicensed guesthouses fined

Two women were fined \$3,500 and \$4,000 at the Eastern Magistrates' Courts today (November 19) for contravening the Hotel and Guesthouse Accommodation Ordinance.

The courts heard that in April and May this year, officers of the Office of the Licensing Authority (OLA), the Home Affairs Department, inspected two suspected unlicensed guesthouses on Stone Nullah Lane in Wan Chai and Tung Wan Tau Road in Mui Wo. During the inspections, the OLA officers posed as lodgers and successfully rented rooms in these guesthouses on a daily basis.

According to the OLA's records, these guesthouses did not possess licences under the Ordinance on the days of inspection. The women responsible for operating and managing the premises were charged with contravening section 5(1) of the Ordinance.

A department spokesman stressed that operating or managing an unlicensed

guesthouse is a criminal offence and can lead to a criminal record. Upon conviction, the offender is liable to a maximum fine of \$200,000 and two years' imprisonment.

The spokesman appealed to anyone with information about suspected unlicensed guesthouses to report it to the OLA through the hotline (Tel: 2881 7498), by email (hadlaeng@had.gov.hk), by fax (2504 5805) using the report form downloaded from the OLA website (www.hadla.gov.hk), or through the mobile application "Hong Kong Licensed Hotels and Guesthouses".

CHP investigates outbreak of acute gastroenteritis at residential child care centre in Wan Chai District

The Centre for Health Protection (CHP) of the Department of Health is today (November 19) investigating an outbreak of acute gastroenteritis (AGE) at a residential child care centre in Wan Chai District, and hence reminded the public and management of institutions to maintain personal and environmental hygiene against AGE.

The outbreak involves seven boys and 13 girls aged 4 months to 2 years. They developed diarrhoea since November 9. Eighteen of them received medical attention and none required hospitalisation. All patients are in a stable condition.

Officers of the CHP have conducted a site visit and provided health advice to the staff of the centre concerning proper and thorough disinfection, proper disposal of vomitus, and personal and environmental hygiene. The centre has been put under medical surveillance.

The CHP's investigations are ongoing.

A spokesman for the CHP advised members of the public to take heed of the following preventive measures against gastroenteritis:

- Ensure proper personal hygiene;
- Wash hands thoroughly before handling food and eating, after using the toilet or after changing diapers;
- Wear gloves when disposing of vomitus or faecal matter, and wash hands afterwards;
- Clean and disinfect contaminated areas or items promptly and thoroughly with diluted household bleach (by adding one part of bleach containing 5.25 per cent sodium hypochlorite to 49 parts of water). Wash hands thoroughly afterwards;

- Maintain good indoor ventilation;
- Pay attention to food hygiene;
- Use separate utensils to handle raw and cooked food;
- Avoid food that is not thoroughly cooked;
- Drink boiled water; and
- Do not patronise unlicensed food premises or food stalls.

The public may visit the CHP's website (www.chp.gov.hk) or call the Health Education Hotline (2833 0111) for more information.
