

Sir Andr  s Schiff and Cappella Andrea Barca to perform in November

Led by internationally acclaimed pianist and conductor Sir Andr  s Schiff, the celebrated Cappella Andrea Barca will visit Hong Kong for two concerts in November. The concerts are part of the celebration events to mark the 30th anniversary of the Hong Kong Cultural Centre (HKCC).

The first concert will be held at 8pm on November 15 (Friday) at the Concert Hall of the HKCC. The programme will include Johann Sebastian Bach's "Ricercar a 6" (from "The Musical Offering", BWV 1079) and Mozart's "Symphony No. 41 in C, 'Jupiter'". Sir Andr  s will also perform in Beethoven's "Piano Concerto No. 5 in E-flat, 'Emperor'".

The second concert, which will be staged at 5pm on November 16 (Saturday) at the same auditorium, will embrace Beethoven's "Piano Concerto No. 2 in B-flat" followed by Mozart's "Symphony No. 39 in E-flat" and back to Beethoven's "Piano Concerto No. 4 in G".

Sir Andr  s was born in Budapest, Hungary, in 1953 and started piano lessons at the age of five. Since childhood he has enjoyed playing chamber music. Recitals and special cycles form an important part of his activities. Since 2004, he has performed complete cycles of Beethoven's 32 piano sonatas in 20 cities. Sir Andr  s has worked with most of the major international orchestras and conductors, and nowadays he performs mainly as a conductor and soloist.

Sir Andr  s has been awarded numerous international prizes. In 2006, he became an Honorary Member of the Beethoven House in Bonn, Germany, in recognition of his interpretations of Beethoven's works. He was also awarded the Klavier-Festival Ruhr Prize in 2009 for his outstanding pianistic achievements and to honour his lifetime work as a pianist. He has been awarded Knight Commander of the Most Excellent Order of the British Empire by Queen Elizabeth II in 2014.

The musicians of the Cappella Andrea Barca, who are primarily active as globally successful soloists and chamber musicians, were selected personally by Sir Andr  s for the performance of the complete Mozart piano concertos at the Mozartwoche in Salzburg from 1999 to 2005. Since then, the chamber orchestra gradually widened its scope and toured numerous cities in Europe and the United States. Sir Andr  s' ambition is to present the chamber orchestra in a way that allows them to prove themselves in both soloist and chamber music formations, which most established orchestras would struggle to achieve.

The concerts by Sir Andr  s Schiff and Cappella Andrea Barca are presented by the Leisure and Cultural Services Department. Tickets priced at \$250, \$350, \$450, \$550 and \$700 are now available at URB TIX (www.urbtix.hk).

For telephone credit card bookings, please call 2111 5999. For programme enquiries and concessionary schemes, please call 2268 7321 or visit www.lcsd.gov.hk/CE/CulturalService/Programme/en/music/programs_805.html.

Two pre-concert talks (to be conducted in Cantonese) will be held at 6.45pm on November 15 and 3.45pm on November 16 at the Foyer Reception Area, 4/F, Auditoria Building, Hong Kong Cultural Centre. The first talk entitled "Schiff: The (Very) Vocal " will be conducted by Ernest Wan, while the second talk entitled "Mozart and Beethoven – Influence and Inspiration" will be conducted by Calvin Lai. Admission is free with limited seats available on a first-come, first-served basis.

HK preps for 5G future

Fifth generation (5G) mobile networks are the catalyst for smart city development and Hong Kong is all geared up for the commercial launch of 5G services and applications in 2020.

News.gov.hk spoke to the Office of the Communications Authority and the Hong Kong Applied Science and Technology Research Institute for an insight into the preparatory work involved, including technical trials of an autonomous vehicle being carried out at the Science Park.

The story appears on news.gov.hk today (August 10) in text and video format.

Assess the risk of heat stroke to employees

Attention duty announcers, radio and TV stations:

Please broadcast the following special announcement immediately, and repeat it at frequent intervals when the Very Hot Weather Warning is in force:

The Labour Department reminds employers that as the Very Hot Weather Warning is in force, they should assess the risk of heat stroke to their employees and adopt effective preventive measures such as providing cool drinking water, setting up temporary sunshade and providing mechanical aids to reduce physical exertion of employees. Employees should drink water regularly and be mindful of their physical condition. If early heat stroke symptoms such as headache and thirst appear, they should rest in a cool or shady place and drink water immediately. They should also inform their supervisors to take appropriate actions.
