

Crowd safety management measures and special traffic arrangements on Hong Kong Island

Police will implement crowd safety management measures and special traffic arrangements to facilitate three public order events to be held on Hong Kong Island tomorrow (July 21).

(1) Public procession to Central Government Offices

A. Road closure

The following roads will be intermittently closed from 10.30am until the crowd has dispersed and traffic resumes normal:

1. Westbound Hennessy Road;
2. Queensway;
3. Rodney Street;
4. If necessary, Harcourt Road; and
5. If necessary, northbound Tim Mei Avenue.

If necessary, southbound Rodney Street between Harcourt Road and Queensway will be closed from 11am until the crowd has dispersed and traffic resumes normal.

B. Traffic diversions

In connection with the above road closures, the following traffic diversions will be implemented:

1. Traffic from United Centre bus terminus must turn left to westbound Drake Street;
2. Traffic along northbound Justice Drive must turn left to westbound Queensway; and
3. If necessary, traffic along westbound Harcourt Road near the exit of Harcourt Garden car park will be diverted to westbound Harcourt Road flyover.

During the road closure period, vehicles may not be allowed to enter or leave car parks on the closed roads.

(2) Public procession to Western District

A. Road closure

The following roads will be intermittently closed from 11.30am until the crowd has dispersed and traffic resumes normal:

1. Tin Chiu Street;
2. Marble Road;

3. Kam Hong Street;
4. Westbound King's Road;
5. Westbound Causeway Road;
6. Irving Street;
7. Pennington Street;
8. Westbound Yee Wo Street;
9. Jardine's Bazaar;
10. Westbound Hennessy Road;
11. Westbound Queensway;
12. Westbound Queen's Road Central;
13. Westbound Queen's Road West; and
14. Chiu Kwong Street.

The following roads will be closed from about 12.30pm until the crowd has dispersed and traffic resumes normal:

1. Westbound Yee Wo Street between Pennington Street and Hennessy Road;
2. Northbound Wyndham Street between Wellington Street and Queen's Road Central, except for vehicles heading for On Lan Street car park; and
3. Northbound Cochrane Street between Stanley Street and Queen's Road Central.

B. Traffic diversions

The following traffic diversions will be implemented from about 12.30pm until the crowd has dispersed and traffic resumes normal:

1. Traffic along northbound Wyndham Street must turn left to westbound Wellington Street, except for vehicles heading for On Lan Street car park; and
2. Traffic along westbound Stanley Street must turn left to southbound Cochrane Street.

C. Suspension of parking spaces

Metered parking spaces No. 3040(A), 3040(B), 3041(A) and 3041(B) at Marble Road will be suspended from 10pm on July 20 to 6pm the following day.

During the road closure period, vehicles may not be allowed to enter or leave car parks on the closed roads.

(3) Public meeting at Victoria Park and public procession to Wan Chai

Crowd safety management measures

The public event consists of two parts, namely a public meeting at football pitches 1 to 6 and Central Lawn of the Victoria Park followed by a public procession heading to Wan Chai.

The public meeting at football pitches 1 to 6 and Central Lawn of the Victoria Park will commence at 3pm and the subsequent public procession will start at 3.30pm. The public procession will set off to the junction of

northbound Luard Road and Johnston Road, via Gate 15 and 16 of the park, Causeway Road, Leighton Road, Irving Street, Pennington Street, Yee Wo Street and Hennessy Road.

A. Arrangements for public meeting at Victoria Park

Members of the public participating in the public meeting are encouraged to use public transport to go to the park and enter the football pitches from the west via Gate 6 and 7 (near Sugar Street and Great George Street); or from the east via Gate 14 (Hing Fat Street near Lau Sin Street).

Participants who wish to enter the park are advised to go to football pitches Nos. 6, 5, 4, 3, 2 and 1 in sequence to await the start of the procession. When the six football pitches are fully packed with participants, latecomers for the event may gather at the Central Lawn to await setting off the procession. To ensure that the participants of the public meeting enter the park and set off the subsequent procession sequentially, the organiser and their marshals will implement crowd safety management measure thereat (see diagrams 1 and 2).

Police and the organiser will adopt a principle of "First come, First go" in order to ensure the procession can set off from the park orderly and in sequence.

The procession will set off at 3.30pm or when the participants have occupied about 85 per cent of the six football pitches, whichever is earlier.

B. Arrangements for public procession

The procession will proceed along the westbound carriageway of the procession route and the eastbound and westbound tram lanes along Yee Wo Street and Hennessy Road. The eastbound carriageway will be reserved as emergency vehicles access and used by other road users. Police will make decision on the opening of traffic lanes according to the prevailing condition.

The crossing zones outside SOGO Department Store and Paterson Street will be suspended during the procession. Past experience has shown that many procession participants jammed in the procession at these two points, causing obstructions and delay to the main procession from the park. Moreover, it will also affect the traffic at the eastbound carriageway and its function as emergency vehicles access, posing serious risks to public safety and public order. Procession participants are requested not to jam in at these two points. People who intend to cross Yee Wo Street can use the subway of MTR, Sugar Street footbridge and Percival Street footbridge.

After arriving in Wan Chai, participants should pay attention to the announcements made by the organiser and follow the instructions given by the Police or event marshals for a safe departure.

To maintain public safety and public order, Police imposed several conditions to the organiser. The conditions include directing the finishing point of the public procession, and requesting the organiser to appeal to the

participants taking part in fund-raising, hawking or any other propaganda activities to ensure that their stalls or temporarily-erected structures would not cause obstructions to the public procession or endanger the safety of the public procession participants or other road users.

For the conditions regarding the finishing point of the public procession, the Appeal Board on Public Meetings and Processions confirmed those conditions today (July 20). Police wish the organiser would respect the ruling, comply with the conditions imposed on the Letter of No Objection and endeavour to assist Police to ensure that the event will be conducted in a safe manner.

Members of the public going to Wan Chai, Causeway Bay and Tin Hau are encouraged to use public transport. They should pay attention to the temporary signage displayed on site and follow the instructions given by Police officers or event marshals.

It is the policy of the Police to facilitate all lawful public order events and it will take measures to ensure public safety and public order. Police wish to co-operate closely with the organiser to facilitate a safe and orderly public event.

Police appeal to the event participants to remain calm, be considerate and co-operative, as well as to express their views in a peaceful and rational manner.

[Hong Kong Customs seizes suspected cannabis buds \(with photo\)](#)

Hong Kong Customs yesterday (July 19) seized about 10 kilograms of suspected cannabis buds with an estimated market value of about \$1.7 million at Hong Kong International Airport.

Customs officers inspected an air consignment arriving in Hong Kong from

Canada yesterday and found the batch of suspected cannabis buds mixed inside boxes of cherries. Customs officers arrested a 38-year-old man suspected to be in connection with the case.

Investigation is ongoing.

Customs will maintain close contact with Hongkong Post and the logistics industries to step up action against drug trafficking through postal parcels or express courier channels.

Under the Dangerous Drugs Ordinance, trafficking in a dangerous drug is a serious offence. The maximum penalty upon conviction is a fine of \$5 million and life imprisonment.

Customs also reminds that cannabis and tetrahydro-cannabinol (THC) are classified as dangerous drugs under the Ordinance. Importation of products (including food and drinks) containing cannabis or THC into Hong Kong is prohibited unless the relevant provisions in the Ordinance are complied with. In order to avoid breaching the law inadvertently, special attention should be paid to the packaging labels of food and drinks.

Members of the public may report any suspected drug trafficking activities to Customs' 24-hour hotline 2545 6182 or its dedicated crime-reporting email account (crimereport@customs.gov.hk).

[Appeal for information on missing man in Ngau Tau Kok \(with photo\)](#)

Police today (July 20) appealed to the public for information on a man who went missing in Ngau Tau Kok.

Chan Ngai-kwong, aged 74, went missing after he left his residence in Kai Ching Estate yesterday (July 19) morning. His family made a report to

Police on the same day.

He is about 1.5 metres tall, 50 kilograms in weight and of fat build. He has a round face with yellow complexion and short black hair. He was last seen wearing a white short-sleeved shirt and grey shorts.

Anyone who knows the whereabouts of the missing man or may have seen him is urged to contact the Regional Missing Person Unit of New Territories South on 3661 1176 or 6317 7858 or email to rmpu-nts-2@police.gov.hk, or contact any police station.

[TD reminds public of special traffic and transport arrangements on Hong Kong Island tomorrow](#)

The Transport Department (TD) today (July 20) reminded the public that special traffic and transport arrangements will be implemented in phases on Hong Kong Island to facilitate the public processions tomorrow (July 21).

The special traffic and transport arrangements will mainly include:

Road closures

1. From about 10.30am, Hennessy Road westbound, Queensway and Rodney Street will be intermittently closed;

2. From about 11.30am, King's Road westbound, Yee Wo Street westbound, Hennessy Road westbound, Queensway westbound, Queen's Road Central and Queen's Road West will be intermittently closed;
3. From about 2pm, the roads in the vicinity of Victoria Park and the Causeway Bay shopping area (such as Sugar Street and Jardine's Bazaar) will be closed in phases; and
4. From about 2.30pm, the westbound carriageways of Causeway Road, Yee Wo Street and Hennessy Road will be closed.

Public transport services

A total of 92 bus routes and 14 green minibus routes operating in the affected areas will be temporarily diverted, one bus and one green minibus route will be temporarily suspended. In addition, the tram services between Tong Shui Road and Tamar Street will be suspended.

Due to extensive road closure in the affected areas, the TD anticipates that the traffic along Hong Kong Island North (including Causeway Bay, Wan Chai, Admiralty and the vicinity of the Island Eastern Corridor) as well as the Aberdeen Tunnel and the Cross-Harbour Tunnel will become significantly congested. Motorists are advised to be patient in case of traffic congestion when driving in the vicinity, follow the Police's instructions and be alert to the latest traffic news through the media.

Members of the public are advised to use public transport services, in particular railway services, and avoid driving to the affected or congested areas, especially in the vicinity of Tin Hau, Causeway Bay, Wan Chai and Admiralty, unless necessary. Early planning of journeys and use of alternative travelling routes are advised to avoid unexpected delay. The public transport operators will display notices to inform passengers of the temporary arrangements. Public transport commuters are advised to pay attention to the arrangements of route diversions and suspension and relocation of stops. The TD and the Police will closely monitor the traffic situation and implement appropriate measures whenever necessary.

For enquiries on the special traffic and transport arrangements, members of the public can call 1823 or browse the TD's website www.td.gov.hk for more details.

Public urged to report flooding

Attention duty announcers, radio and TV stations:

Please broadcast the following as soon as possible and repeat it at suitable

intervals:

Members of the public are advised to report any street flooding that comes to their notice to the Drainage Services Department by calling the 24-hour drainage hotline on 2300 1110.
