## “Central-Hung Hom” ferry service to commence on June 28

The Transport Department announced today (June 26) that the "Central-Hung Hom" ferry service will commence operation from June 28 (Sunday). The first sailing will depart from Hung Hom at 7.30am.

The "Central-Hung Hom" ferry route will ply between the Hung Hom (South) Ferry Pier and Central Pier No. 8 (Western Berth). The adult fare is \$9 per trip. The ferry operator will provide fare concessions for children, the

elderly and persons with disabilities as well as monthly ticket concessions. The basic schedule is every 20 minutes during peak hours from Mondays to Saturdays; and every 30 to 50 minutes during non-peak hours, Sundays and public holidays. The operator will closely monitor the passenger demand and strengthen services as necessary.

After conducting an open tender invitation, Fortune Ferry Company Limited was selected to operate the ferry service. The company is granted a ferry service licence for a period of five years to operate the route.

To gear up for commencement of the "Central-Hung Hom" ferry route, the operator has already carried out enhancement works at Hung Hom (South) Ferry Pier and Central Pier No. 8 (Western Berth), including provision of free Wi-Fi service, passenger seats, electronic display panels, a public announcement system, turnstiles, fans and luggage storage facilities to offer better services for passengers.

In support of the Government's development of a smart city, the operator will disseminate real-time arrival/departure information of ferry routes via mobile phone applications and open up such data in a machine-readable format for use by the public under the data.gov.hk portal within six months upon commencement of the ferry service. The operator will continue to carry out enhancement works at Hung Hom (South) Ferry Pier and Central Pier No. 8 (Western Berth), including provision of battery charging facilities, exploring the installation of solar panels for illumination of the external walls in order to support the smart city development and promote environmental protection, and installing LED lighting on the external walls to beautify the exterior of the pier.

## [Two illegal workers jailed](#)

Two Pakistani illegal workers holding recognisance forms were jailed by Shatin Magistrates' Courts on June 24.

During the operation "Breakthrough" conducted on May 18, Immigration Department (ImmD) investigators raided an office under renovation in Lai Chi Kok. Two male Pakistani illegal workers, aged 33 and 35, were arrested while working as renovation workers. Upon identity checking, they produced for inspection recognisance forms issued by the ImmD, which prohibit them from taking employment. Further investigation revealed that they were non-refoulement claimants. An employer suspected of employing the illegal workers was also arrested and the investigation is ongoing.

The two illegal workers were charged at Shatin Magistrates' Courts on June 24 with taking employment after landing in Hong Kong unlawfully and remaining in Hong Kong without the authority of the Director of Immigration or while being a person in respect of whom a removal order or deportation order was in force. They pleaded guilty to the charge and were each sentenced to 15 months' imprisonment.

The ImmD spokesman warned that, as stipulated in section 38AA of the Immigration Ordinance, illegal immigrants or people who are the subject of a removal order or a deportation order are prohibited from taking any employment, whether paid or unpaid, or establishing or joining in any business. Offenders are liable upon conviction to a maximum fine of \$50,000 and up to three years' imprisonment. The Court of Appeal has issued a guideline ruling that a sentence of 15 months' imprisonment should be applied in such cases.

The spokesman reiterated that it is a serious offence to employ people who are not lawfully employable. The maximum penalty is imprisonment for three years and a fine of \$350,000. The High Court has laid down sentencing guidelines that the employer of an illegal worker should be given an immediate custodial sentence. According to the court sentencing, employers must take all practicable steps to determine whether a person is lawfully employable prior to employment. Apart from inspecting a prospective employee's identity card, the employer has the explicit duty to make enquiries regarding the person and ensure that the answers would not cast any reasonable doubt concerning the lawful employability of the person. The court will not accept failure to do so as a defence in proceedings. It is also an offence if an employer fails to inspect the job seeker's valid travel document if the job seeker does not have a Hong Kong permanent identity card. The maximum penalty for failing to inspect such a document is imprisonment for one year and a fine of \$150,000.

Under the existing mechanism, the ImmD will, as a standard procedure, conduct an initial screening on vulnerable persons, including illegal workers, illegal immigrants, sex workers and foreign domestic helpers who are arrested during any operation, with a view to ascertaining whether they are trafficking in persons (TIP) victims. When any TIP indicator is revealed in the initial screening, the officers will conduct a full debriefing and identification by using a standardised checklist to ascertain the presence of TIP elements, such as threats and coercion in the recruitment phase and the nature of exploitation. Identified TIP victims will be provided with various forms of support and assistance, including urgent intervention, medical services, counselling, shelter, temporary accommodation and other supporting services. The ImmD calls on TIP victims to report crimes to the relevant departments.

## AFCD to launch dog inoculation campaign against rabies at fishing ports

The Agriculture, Fisheries and Conservation Department (AFCD) announced today (June 26) that a dog inoculation campaign at various fishing ports in Hong Kong will be held. Fishermen can have their dogs vaccinated against rabies and microchipped and renew the licences.

AFCD mobile vaccination teams will provide the services at the following fishing ports according to the schedule below from 10am to 3pm:

Sam Mun Tsai	July 3
Sha Tau Kok	July 8
Castle Peak	July 10
Aberdeen	July 15
Sai Kung	July 21
Shau Kei Wan	July 22
Cheung Chau	July 29

The half-yearly dog inoculation campaign has been held since 1980 with the aim of providing licensing renewal and rabies vaccination services for dogs kept by fishermen who work on board fishing vessels most of the time. A fee of \$80 will be charged for each dog. To date, more than 7 300 vaccinations have been given to dogs on fishing vessels.

An AFCD spokesman said that the services are part of the proactive measures to prevent rabies, a fatal disease that is transmitted to humans from animals. Dogs on board vessels that have visited overseas countries may have come in contact with other animals carrying diseases, making them more susceptible to rabies infection.

"Although Hong Kong has been free from animal rabies since 1987, we must remain vigilant to prevent any possible outbreak," the spokesman said.

Under the Rabies Ordinance, all dogs aged over 5 months must be vaccinated against rabies, licensed and microchipped. Dogs have to be revaccinated against rabies and their licences have to be renewed at intervals not exceeding three years. Dog owners who fail to do so are liable to a maximum fine of \$10,000.
