

Consultations open on four new fisheries management plans

Fisheries management plans secure the long-term sustainability of UK fish stocks

Policy paper: Digital waste tracking service

Our plans to introduce mandatory digital waste tracking, the benefits of this change, the timelines and impacts.

Policy paper: Fisheries management plans: policy information

How fisheries management plans will be used to create a more vibrant, profitable, and sustainable fishing industry.

Wrasses complex: proposed fisheries management plan consultation

Seeking views on the proposed wrasses complex fisheries management plan (FMP) for English waters and the environmental report on the FMP.

Celtic Sea and Western Channel pelagic: proposed fisheries management plan consultation

Seeking views on the proposed Celtic Sea and Western Channel pelagic fisheries management plan (FMP) for English and Welsh waters, and the environmental report on the FMP.
