

## **Guidance: Wildfire management plan**

You may need to complete a wildfire management plan if you're applying for a licence to burn heather or grass on peat deeper than 30cm in a less favoured area.

---

## **Move used agricultural and forestry machinery to Northern Ireland using NI plant health labels**

How to use the Northern Ireland plant health label (NIPHL) scheme to move used agricultural and forestry machinery or vehicles (UAFM) from Great Britain to Northern Ireland.

---

## **Guidance: Extended producer responsibility for packaging: templates for sampling and inspection plans**

If you are required to apply for registration as a reprocessor or exporter of packaging waste under extended producer responsibility (EPR) for packaging, and to apply for optional accreditation, you must submit a sampling and inspection plan using these templates.

---

## **Guidance: Packaging data: how to create your file for extended producer**

## [responsibility](#)

How to structure your packaging data submission. It includes information about the different types of data you need to submit and the codes you need to use.
