

Packaging waste: apply for registration and accreditation as a reprocessor or exporter

How to apply for mandatory registration and voluntary accreditation as a reprocessor or exporter of packaging waste – includes how to comply with requirements and technical information.

Packaging waste: 2026 registration and accreditation process for reproducers and exporters

Process to apply for mandatory registration and voluntary accreditation as a reprocessor or exporter under extended producer responsibility (EPR) for packaging for 2026.

Guidance: Extended producer responsibility for packaging: templates for sampling and inspection plans

If you are required to apply for registration as a reprocessor or exporter of packaging waste under extended producer responsibility (EPR) for packaging, and to apply for optional accreditation, you must submit a sampling and inspection plan using these templates.
