

Guidance: Deer keepers: tagging deer and reporting their movements

Find out about your responsibilities as a deer keeper, when and how to identify your animals, and how to report deer movements.

Guidance: Sheep and goat keepers: how to identify your animals

When to identify your sheep or goats, and where to purchase the identifiers you need.

Guidance: Sample sheep and goat holding register

To protect the health of your livestock and to make it easier to trace your animals, you must keep a register of the animals on your holding.

Guidance: Sheep and goat keepers: how to report animal movements

Find out how to report sheep or goat movements through the Livestock Information Service (LIS) electronically or in paper form.

Guidance: Sheep and goat keepers: how to keep a holding register

Records you need to keep in a holding register including identifiers applied on your premises, animal movements and an annual inventory.
