

Research: Avian influenza (bird flu) in Europe, Russia and in the UK

Preliminary and updated outbreak assessments for avian influenza (bird flu) in Europe, Russia and in the UK.

Guidance: How to comply with REACH chemical regulations

How to comply with the EU and UK REACH chemical regulations when using, making, selling or importing chemicals in the UK and in the EU.

The Fluorinated Greenhouse Gases (Amendment) (EU Exit) Regulations 2021

This instrument corrects deficiencies in two European Union Implementing Regulations relating to restrictions on the use of fluorinated greenhouse gases ("F-gases"). These corrections are necessary to ensure that the legislation continues to operate effectively following the United Kingdom's exit from the EU and now that the Transition Period has ended.

Guidance: COVID-19: guidance for food businesses

Advice for food businesses in response to the coronavirus (COVID-19) outbreak in the UK.

News story: Greater protection for sweet chestnut trees in England

Approval given for the release of a biological control agent to reduce the spread of Oriental Chestnut Gall Wasp.
