

## **Policy paper: NSIPs: biodiversity gain statement for water resources**

Sets out the biodiversity net gain (BNG) requirements for water resources nationally significant infrastructure projects (NSIPs).

---

## **What to include in biodiversity net gain baselines for NSIPs**

Find out which habitats to include when calculating the pre-development biodiversity value for nationally significant infrastructure projects (NSIPs).

---

## **Statutory biodiversity credit prices**

The prices of statutory biodiversity credits from the date biodiversity net gain (BNG) becomes mandatory.

---

## **Policy paper: NSIPs: biodiversity gain statement for development where no national policy statement has effect**

Sets out the biodiversity net gain (BNG) requirements for nationally significant infrastructure projects (NSIPs) where no national policy statement (NPS) has effect.

---

# Understanding biodiversity net gain

Guidance on what BNG is and how it affects land managers, developers and local planning authorities.
