

A Brief History of Castles on the Welsh Border

In the middle ages, the Welsh border had the greatest concentration of castles in Europe. Hundreds of castles were built from 1066 and throughout the 12th century. [Read more](#)

How to lay out a garden: the legacy of Edward Kemp (1817 -1891)

Edward Kemp was one of the most prolific and influential landscape designers of the Victorian era. [Read more](#)
