

Business support in Dundee – an update

The Boxing Day shift from tier three to four, along with the move to lockdown last week, has changed the business situation and the need for support has never been greater. In particular, non-essential retail businesses and business premises delivering close contact services may now be eligible for support at level four.

A one-stop information guide for business with advice from Dundee City Council, support organisations, Scottish Government and other agencies can be found [here](#).

If you are already in receipt of grants from these funds you do not need to re-apply. The City Council will automatically alter grant payments to reflect the change of level. But if you have not previously applied, or applied but did not meet the criteria for level three support, and are now eligible under level four, you should make an application as soon as possible, so do please go to the link above.

Friends of Wighton Saturday classes online!

SATURDAY CLASSES

Friends of Wighton

From Sheena Wellington :

Saturday morning playing is back!

We've all been missing our Saturday morning fix of tunes and, with no sign of classes being able to start in-person again any time soon, classes are moving online.

Obviously, the format will be slightly different, but hopefully still enjoyable.

A mixed instrument class will run 11am – 12 noon on Saturday mornings using Zoom, starting this Saturday. Here is the Zoom link:

MoragAnne is inviting you to a scheduled Zoom meeting.

Topic: Saturday morning class

Time: Jan 9, 2021 11:00 AM London

Meeting ID: 837 1783 7909

To begin with I'll be taking the classes, with the hope of introducing guest leaders on a regular basis. I'll be teaching a couple of slow tunes (for those who like time to think as they play, or for those who want to try out learning by ear) and then a faster tune. Music will be shared to the screen (she says confidently!) on the day.

If participants want to contribute financially they can donate to my paypal account [here](#).
