## **News story: Minister Ellwood statement on death sentences in Gaza**

I strongly condemn the three death sentences carried out in Gaza on 25 May. This decision reflects a worrying trend of increasing use of the death penalty in Gaza.

It is the long-standing position of the UK to oppose the death penalty in all circumstances. We have repeatedly called for the de facto authorities in Gaza to respect the Palestinian Authority's moratorium on implementation of the death penalty.

## News story: Searching for a trade mark

As part of our ongoing work to improve our digital services, we are implementing changes to the current trade mark search service.

There are three trade mark search services:

- search by number
- search by owner
- search by word, phrase and/or image

The three search options will function the same but with changes to the look and style of the service, in particular the search by word, phrase and/or image.

Tabs have been introduced to categorise content, however based on customer feedback, you can also 'display content without tabs'.

The change will take effect on 31 May 2017.

We would welcome further [feedback](#) to continue to improve this service going forward.
