

Flexible Service: Lance Corporal Kelly Hawthorne

Flexible Service gives me more precious time with my 3-year-old daughter and has helped to provide a calmer, more balanced lifestyle for both of us.

Flexible Service: Corporal Albert McDonald

Flexible Service allows me to continue to serve knowing that I won't be separated from home base for lengthy periods, so I know I'll be able to continue to give my son the support he needs for his disability.

Flexible Service: Lieutenant Sally Ashlin

The option to work part time under Flexible Service attracted me back into Regular Service so I retain my commitment and keep on top of family commitments.

Flexible Service: Lance Corporal Rosemarie Coetzer

Flexible Service allows me to do all of the things that are most important to me; serve society, spend more time with my family, and do a master's degree.

Flexible Service: Lieutenant Commander Becky Everest

Flexible Service has allowed me to temporarily serve part-time while remaining in Regular Service, so I can balance everyone's needs when my family and I need to most.
