

Coronavirus (Covid-19) Infection Survey – Antibody and Vaccination Data for Northern Ireland

The Department of Health today published a report on antibody and vaccination data from the COVID-19 Infection Survey (CIS).

Covid vaccine fact file – bogus claims and side effects

At the heart of many “anti-vaxxer” arguments is the belief that Covid is a hoax – that very different Governments from around the world have somehow managed to unite behind a grand conspiracy, that tens of thousands of health care workers have joined in, along with Government officials and countless media organisations – and they’ve all managed to keep the plotting secret.
