

£237,000 resurfacing scheme for A8 Ballymena Road, Larne

A £237,000 resurfacing scheme on the A8 Ballymena Road, Larne will start on Friday 20 September 2019.

£150,000 road improvement scheme for Old Coach Road

The scheme will deliver significant improvements to both the structural integrity and surface of the road.

To facilitate the resurfacing a weekday road closure will be in operation between the hours of 8.00am and 6.00pm, from Monday 16 September until Friday 11 October. During these times a diversion will be in place via Edentrillick Road – Dromara Road – Dromore Road and vice versa. A diversion will be clearly signposted.

DAERA seeks two additional members for the Tuberculosis Eradication Partnership

The Department of Agriculture, Environment and Rural Affairs (DAERA) today launched a competition to appoint two additional members to a DAERA sponsored independent expert advisory body, the TB Eradication Partnership (TBEP), with effect from 1 January 2020.

DAERA is seeking new members for

CAFRE's College Advisory Group

The College Advisory Group (CAG) provides advice on strategic and operational issues to the College of Agriculture, Food and Rural Enterprise (CAFRE) management team. The Group has 12 members and it is currently chaired by Dr Mike Johnston of Dairy UK. CAG has expertise across all sectors of the agri-food industry and there are now four positions where new members are required from 1 January 2020. These positions are in the areas of International Relations, Environment in the Supply Chain, Production Horticulture and Equine.
