

# Ellery Hill

On the windswept Ellery Hill,  
a Borderland aligned with lands upon which the English and Scots transgressed  
for many a year, the Spring splendour of the enticing sunshine last weekend  
temporarily  
overcame the demoralising emissions of political events and medical  
catastrophes with Nature's power and overwhelming supremacy, showing us  
all Hope for the future.

Sheltering in a deep  
footprint of a previously passing Native Bovine were two perfect and peaceful  
DAISY Blooms – the only Blooms seen over many acres that day.
