

Tender period extended for Free-flow Tolling System in Hong Kong – Development of Backend System

â€‹The Civil Engineering and Development Department (CEDD) today (August 28) announced that the tender period for the contract for Free-flow Tolling System in Hong Kong – Development of Backend System (Contract No. ED0 4/2019) has been extended to noon on September 18.

The CEDD invited tenders for the contract on July 10 this year. The tender period was originally scheduled to expire at noon September 4.

The extension of the tender period was gazetted today. Details of the tender notice are available on the CEDD's website (www.cedd.gov.hk/eng/tender-notices/index.html).

The CEDD has appointed Ove Arup & Partners Hong Kong Limited as the consultant to design and supervise the project. For enquiries, please call the company at 2268 3540 during office hours.
