

Tenders invited for management, operation, installation and maintenance of public lighting system in Hong Kong Island and Islands

The Highways Department (HyD) today (May 23) invited tenders for a four-year term contract for the management, operation, installation and maintenance of the public lighting system in Hong Kong Island and Islands (Contract No. 01/HY/2025) from October 2025 to September 2029.

The contract, which will be supervised by the Lighting Division of the HyD, covers the design, management, operation, installation and maintenance of the public lighting system in Hong Kong Island and Islands. The public lighting system generally consists of conventional road lighting, village lighting, gantry sign lighting, roadside directional sign lighting, public transport interchange lighting, underpass lighting and the associated cables, ducts, peripheral items and system. Within the designated contract area, there are about 31 400 road and village lighting points and about 900 lighting installations on illuminated gantry signs and roadside directional signs.

Tenderers shall submit completed tenders in electronic format via the Electronic Tendering System for works contracts. In addition to the electronic submission, tenderers may opt to submit its tender in hard copy. Submission in hard copy is optional and it will not be used unless falling within the exceptions stated in the conditions of tender. The hard copy of the tender submission must be placed in the Government Secretariat Tender Box located at the lobby of the Public Entrance on G/F, East Wing, Central Government Offices, 2 Tim Mei Avenue, Tamar, Hong Kong. Submission of tenders will close at noon on July 4, 2025 (Friday).

For enquiries, please call the Chief Engineer/Lighting of the HyD at 3903 6550.
