

Town Planning Board Secretariat to extend special arrangements for provision of public services

The following is issued on behalf of the Town Planning Board:

In view of the extension of special work arrangements for government employees, the Town Planning Board (TPB) announced today (December 15) that the Secretariat will continue to provide essential public services only until further notice.

Members of the public can continue to place their submissions made under the Town Planning Ordinance in the drop-in box located at the TPB Secretariat's reception counter on 15/F, North Point Government Offices, during office hours (9am to 5pm, Monday to Friday), while other counter services will be temporarily suspended. Members of the public can make enquiries through the telephone hotline (2231 4810) or email (tpbpd@pland.gov.hk), and can visit the TPB's website (www.info.gov.hk/tpb) for statutory planning information.

Posting of site notices for planning applications will also be suspended during this period. However, notices of planning applications will continue to be published in the prescribed newspapers and posted on the TPB's website. Members of the public are invited to pay attention to such notices in the newspapers and on the TPB website.
