

Transcript of remarks by SCST at media session

â€œFollowing is the transcript of remarks by the Secretary for Culture, Sports and Tourism, Mr Kevin Yeung, at a media session after attending a radio programme this morning (July 30):

Reporter: Mr Yeung, will other concert performances be allowed to take place later next month? If it is allowed to continue, will there be any restrictions to those shows?

Secretary for Cultural, Sports and Tourism: What we will be doing is while we are doing the investigation, we at the same time, know that there will be performances that are in the pipeline, so what we will do is the LCSD (Leisure and Cultural Services Department) will contact these venue hirers and discuss with them what their performances will be and what sort of special arrangements in terms of the stage and other facilities that they would be arranging. And then we will discuss with them on the safety of these facilities for stage arrangements and make sure that it is okay to operate.
