What We Do

Dear colleagues and customers, thank you for visiting us at the ICCM Education Seminar!

We have been attending and supporting ICCM Conference Events for over twenty years, providing a wide range of products and services to its Members and the Industry in general. Please take a moment to study the basics of 'what we do' and how we can help you in your service provision.

We look forward to working with you!

Kindest regards

Keith Welters

ICCM Education Seminar supported by welters for over twenty years

welters® organisation introduced the concept of single cast burial chambers, mausolea cells and memorial housings to the industry over 30 years ago and the company continues to design, manufacture, supply and install these facilities nationwide.

By operating its own manufacturing facility, the company avoids using third party concrete producers or subcontractors, resulting in an unrivalled standard of production quality and consistency.

welters complete another successful year

2017 concluded another successful year for the company. With full order books, they are ever confident that 2018 will provide more opportunities for new product developments and innovative contributions to the market. As the success of the company grows, this also provides an opportunity to bring new staff on board at both the production facility and also for onsite works, creating new jobs and expanding their skilled workforce to cover the increase in productivity and output.

For over thirty years, the company has striven to ensure that it has the ability to design, manufacture, supply and install their entire OPC and decorative stone components at its own manufacturing facility, negating the need to use third party concrete producers or installation contractors. This means that the design, production and delivery of all projects is maintained and administered from within the company, giving WOW a strong foundation for a reliable and lasting service provision to its clients.
