

## Mandela Day

It is a day when we must remember that **every person has the power to change the world.**

It has been 100 years since Mandela's birth. His dedication to the service of humanity and his contribution to the struggle for democracy **continue to inspire millions of people.**

## **Last night's trade bill votes**

Brexit is the most important issue in a generation. And as Liberal Democrats we have taken on the responsibility of stopping it. We're the only Party united in this aim.

Last night I messed up. The government squeaked home by just 3 votes in a key amendment. It should have been 1.
