

## **Why we need to ban upskirting**

Upskirting is the act of taking a photo up a woman's skirt without her consent.

In 2009 it was made illegal in Scotland but shockingly it remains legal in England and Wales.

**Authorities can ask a perpetrator to delete the photo but under current law no further prosecution is possible.**

## **Britain is stronger with the back-stop of EU law**

In the face of further defeats on the EU (Withdrawal) Bill, and following further pressure from Peers across the House of Lords, the government has brought forward amendments to ensure that the UK still has the ability to refer to and apply EU guidance for legal matters in our courts going forwards.

## **Barnstorming double by-election win!**

The Liberal Democrats won two of the council by-elections that were held last night (with one still to declare!), gaining two seats from the Conservatives!

The Liberal Democrats, under Vince Cable, are winning seats up and down the country and against all opposition – because people know when they elect Liberal Democrats, they're electing someone who'll get things done for their community!

## **Vince Cable speech: break-up the big tech monopolies**

He criticised the effective monopolies enjoyed by the likes of Google, Facebook, and Amazon – comparing their market dominance to that of big oil companies in the past – and suggested ways they could be broken up.
