Russia's starting 11

To mark 100 days to the World Cup in Russia the we've laid out a 'starting 11' of major concerns Russia needs to give the red card before kick off.

The issues include:

1. Stop annexing foreign territory
2. Stop interfering with foreign elections
3. Stop hacking foreign governments & businesses
4. Stop institutionalised doping in sports
5. Stop human rights abuses
6. Stop decriminalising domestic abuse
7. Stop supporting Assad in Syria
8. Stop the stamping out of democracy in Russia
9. Stop abuses against LGBT Russians
10. Stop political assassinations at home and abroad
11. Stop imprisoning those opposed to Putin

We're also calling on the Russian government to make changes in all the areas before the kick off of the first match in the 2018 World Cup.

The Party have also called for FIFA and the international football community to do more to fight against human rights abuses.
