## Northern Ireland border plan has “more holes than a colander”

The government’s plan for the Northern Ireland border after Brexit has more holes in it than a colander.

It comes after the government admitted EU nationals will still be able to enter the UK from Ireland after Brexit under its plans.

## 0.5% fall in wages shows Brexit causing “real costs for real people”

Real wages fell by 0.5% in the three months to June 2017 compared with a year earlier, figures from the Office for National Statistics today have revealed.

Average weekly earnings increased by 2.1%, but with inflation standing at 2.6% real earnings still fell by 0.5%.
