

[Ministers ignored warning on airport chaos](#)

Over the last few days, our newspapers have been full of stories about travel chaos due to increased security at Schengen area airports.

And Ministers were warned.

Eurozone growth puts UK at bottom of league table

The Eurozone has grown twice as fast as the UK, which in no time has gone from the top of the growth league to the bottom.

The government's shambolic handling of Brexit, which is denting business confidence by the day, is certainly not helping.
