

DVA UPDATE – Minister Mallon confirms two new lifts are being installed to provide additional capacity

Minister Mallon said: “I have already said that I want to see urgent progress on carrying out MOT tests and I am pleased to confirm that two new lifts are being installed to provide additional capacity – one in Belfast and one in Newbuildings, Derry.

Government and Industry together can help mitigate climate change – Poots

Co-operative partnership working between Government and the industrial sector helps mitigate climate change as well as build a sustainable economy, DAERA Minister Edwin Poots said today.

Extensions to DfE public appointments

The Department for the Economy (DfE) has announced extensions to the terms of office of a number of board members of the Health and Safety Executive for Northern Ireland (HSENI).

Poots praises CAFRE students who will be taking the reins of the equine industry

Agriculture Minister Edwin Poots MLA today praised students at CAFRE’s equine campus in Enniskillen where he addressed guests at the annual careers day and bursary awards.

Taxis and four year old cars with expired MOTs will be prioritised. Heavy goods and bus testing continues.

The DVA is working to urgently contact all owners of taxis and four year old cars to book them for MOT tests in the coming days. Priority is being given to those with MOTs that have expired or expire today, so motorists can tax their vehicles.
