Why won't Labour even consider putting water companies back into public hands ask Greens

2. [Press Releases](#)

Responding to the [news \(BBC\)](#) that a new independent commission will soon launch the largest review of the water industry since privatisation in the 1980s, Green Party Co-Leader, Carla Denyer said,

“Water is a basic human need. It should be in public hands run for people, not profit. I don't know why Labour won't even consider this.”
